深圳科盈电子有限公司
QUAWIN ELECTRONICS CO., LTD

interchangeable plug Adapter EU/US/UK/AU/CN standard 18V 1a power supply

Quick Detail:

Brand Name:QUAWIN/OEM
Model Number:QW180-010-AI
Use:Wall-mounted Adapter,USB Charger,Interchangeable plugs,Desktop Power Supplies,Type C charger, Quick Charger,Car Charger and Wireless Charger.
Type:Electric
Place of Origin:Guangdong China (Mainland)
Certificate:CE GS UL CB FCC SAA RCM PSE KC CCC Approvals
AC Plug:EU/US/UK/AU/CN standard
Color:Black/White
Input voltage:90-264VAC 47/63Hz
Output voltage:18V
Output current:1A
Output power:18W
Ripple & noise:150mV
Output Regulation:±5%
Energy Efficiency:LEVEL VI
Safeties Standard:60950/ 60335/ 61558/ 60065
Output connector:1.5M Wire or USB interface
Operating Temperature:0℃ ~ +55℃
Storage Temperature:-20℃~+80%℃
Dimension :71.2 * 43.2 * 29mm
Humidity:5~95%RH(non-condensing)
Primary to Secondary:50MΩ Min
Ripple and Noise:100mVp-p Max

Packaging & Delivery :

inner package: Industrial Packing Carton Size: 47*36.5*19 cm 50 pcs Per Carton
(Customized Packing To Be Acceptable)
Delivery Detail:sample within 5 work days,7~25 days for bulk order

Safety protections:

- Over Voltage protection
- Short Circuit protection
- Input protection
- Compliance with ROHS requirements

Universal DC OD5.5mm standard interface

5.5mm DC interface | 2.1mm Inner size | 150cm Line length

Efficient Anti－Interference Magnetic ring

Effectively reduce the EMI electromagnetic interference, to ensure stable current output
